SPEAKERS

Duncan & Kate Smith minister alongside John & Carol Arnott and have invested in establishing the Catch the Fire international network of leaders and co-ordinators. In September 2008 God impressed it upon their hearts to relocate to Raleigh, North Carolina, where they planted the first Catch the Fire church. Their desire is to equip and release the body of Christ to walk in the fullness of Christ by living in the supernatural power of God.

John & Pauline Arnott live in Melbourne, Australia. In 1995 they were radically changed by the power of the Holy Spirit through the Toronto blessing in Melbourne Australia. They planted Hillview Community Church in Rowville, Victoria, Australia in 1996 and became Senior Pastors from 2000 until February 2009. John and Pauline have a passion to see the message of the Father's love spread through Australia.

Kerry and Martyn Manuel are the Senior Pastors of MVBC and are passionate about pursuing the presence of Jesus above all else. They minister together in the Holy Spirit, and have experienced great freedom and intimacy with the Father from pursuing heart healing. They have 3 beautiful kids and also own a large manufacturing business of approx 400 staff.
